Comin in Hot

BID BOARD SALE
SATURDAY, MARCH 11

EXPECTING 20 LITTERS
DECEMBER - MARCH

EXCITING ANNOUNCEMENT!

If you are familiar with Greg Wolfe of Wolfe & Sons Show Pigs based out of McCook, Nebraska, then you know that they have a great reputation for strong genetics and success over the last 50+ years. In May of 2022, Greg decided to downsize and offered us first pick of his sows, leading to our purchase of nine Wolfe & Sons Sows. We are very honored to have the opportunity to continue to use their sows and we are so excited for the litters we will have available at our sale!

Greg's son, Matt Wolfe, is still raising show pigs and will conduct their annual sale in McCook, NE on March 17, 2023.
